

Kichberg, the 31st of December 2012

Dear friends all over the world!

Please receive my most serious wishes for a very HAPPY NEW YEAR, full of joy, good health and love!

I am happy to join together with these wishes an announcement which is hopefully very exciting for you also, sharing a new project with lots of hope and expectations with you: It's the birth giving of my 'FOUNDATION URSULA HAUSER' !
